CDS Futurity

The Futurity is designed to encourage young horses in dressage. Entrants ride two USEF First Level tests, each of which is judged by two judges. The total number of points determines the placings. There are two divisions, Open and Adult Amateur, with an award to first and ribbons to 10th place in each division. All horses with an average of 55% or better on the two tests receive a recognition award. The overall winner receives the Futurity Perpetual Trophy.

All nomination fees received go into the purse which is divided among the six highest scoring entrants in each division - Open and Adult Amateur, as follows: 1st - 30%, 2nd - 25%, 3rd - 20%, 4th - 15%, 5th - 5%, 6th - 5%. You must declare Open or Adult Amateur status at the time of nomination.

CAL BRED Futurity: is open to horses foaled in California or Nevada, who are entered in the Futurity. The Perpetual Trophy, ribbons and cash awards are based on the total point scores, regardless of Adult Amateur or Open status. The Cal-Bred purse, which consists of all nomination fees from entered horses, is divided on the same percentage basis as the Futurity.

CDS Championships and Region 7 Finals

by Peggy Klump

The 39th Annual CDS Championship Show and Region 7 Finals, held at LAEC in Burbank, were the largest ever with over 350 horses on the show grounds, 6 arenas, 12 judges per day and thousands of man hours in hard work, sweat and tears. This year one of the best things about the Championship Show was the outstanding weather. The cool, fall temperatures contributed to the perfect setting to showcase our best horses and riders, and there were lots. My hearty congratulations to Glenda, all her staff, numerous volunteers and LAEC ground crew and facility workers. The footing was outstanding throughout the show. The Equidome was festively decked out with the Chapter banners, VIP tables on the floor, giving a close up view of the arena, the awards presentation areas in the corners. The USDF Regional Championship presentations were on the north side and CDS Championship presentations were the south side. Greenery and flowers dotted the court and judges stands.

Returning once again to the familiar facilities of LAEC, my expectation was that I'd just leisurely pull up to the stabling area, unload and set-up. I had only to get a short warm up in before a dress rehearsal of my freestyle in the Equidome in the late afternoon. I had heard the show was huge....so large in fact 160 extra portable stalls had been ordered. Despite this advanced warning, I was surprised that the usual trailer parking lot next to arenas 4 and 5 had been converted to accommodate the portables and was designated to handle exhibitor parking. The trailers were to be parked in a dirt lot off Western Ave down the street. Take a deep breath, go with the flow. As I begin unloading I realized that my initial plan of working out of my trailer for the show was a total bust. Thankfully, there was one extra empty stall in my row that became my tackroom for the show. Huge problem solved. I realized rapidly I was running out of time to do all the chores needed and be on time for my rehearsal ride. Dale Filken to the rescue (aren't CDS people wonderful). He not only delivered my music to Nicho in the Equidome but helped me unload the whole trailer, helped set up my tackroom and parked my rig down the street while I got Icey ready for our schooling session and dress rehearsal, which went fairly well. Later that evening, as I hauled armloads of show stuff into the Marriott Hotel, I overheard another guest remark... here comes another one of those horseshow people. Obviously not a person familiar with Burbank's equine connection.

Thursday, Lori Johnstone and I headed to LAEC to check in for our volunteer assignments by the scheduled 730 am check in time. Lori was scheduled to scribe all day, while I was going to be "runner" for the morning, as I had no rides on Thursday. I elected not to enter all 4 days, but rather keep my horse Lemon Ice fresh for actual championship classes. Anyway I had a great time with my co-volunteer runner, Jody Cressman. We spent the morning in the golf cart; no sooner than we would get tests from both judges in rings 4, 5 and 6 (yep 6 tests every few minutes for the scorers to tackle just from our rings)....we would need to go back again, sometimes with drinks and snacks for the judges and scribes. Everyone wants happy judges of course and timely posted scores. I had a solid schooling session with "Icely" at noon with Hilda's help, did some shopping and routine chores in the afternoon.

After the CDS Hospitality BBQ on Thursday afternoon, the Championship Show Committee (Pat Hart, Carol Tice, Maureen Van Tuyl, Paula Langan, Glenda McElroy, Laurie Farmer, plus Terry Wilson Region 7 Rep and myself) met for about an hour to discuss issues concerning the 2007 Championship Show. And YES
